Pray for good health for all, asking God to spare them from illnesses such as malaria and typhoid.

Tuesday: Give thanks for the modest harvest of maize and beans earlier in the year and the efforts the Home is making to become more self sufficient.

Pray for rain in the coming weeks as without it the second planting of maize and beans will be devastated. Food prices have already increased.

Wednesday: Give thanks that the addition of another water tank has provided sufficient drinking water, after boiling, for the Home. Every drop of water is precious and a continual concern to the Home.

Pray for our plans to secure a functioning borehole at Happy Home, that will neither collapse nor run dry. This will mean raising the necessary funds together with finding the right contractor.

Thursday: Give thanks for the primary school children, for their love of being able to go to school and receive an education and their hunger to learn and do well at school.

Pray for the primary schools our children attend, thinking especially of Ogen and Roseate Primary Schools. Pray that more money be invested in them so that class sizes are reduced and teachers would be paid.
